

NSGV Drive Cover & Backdraft Damper

Drive Cover

Backdraft Damper

800-728-8368 (phone) / 217-422-5387 (fax) / jmdilligaf@aol.com / NSGV.com

NSGV weatherproof drive covers are constructed from galvanized steel and coated with an air dried enamel paint. Removal of (4) bolts provide total access.

NSGV automatic closing backdraft dampers are constructed of heavy gauge extruded aluminum with aluminum damper blades, nylon bearings, and felt pad seal.
